## ***FREE COUNSELING SERVICES FOR THE MILITARY SPECIAL CONSIDERATION***

Our Military, Active Duty, Reservists, National Guard and Veterans, deserve special consideration. They have made significant sacrifices to protect our freedom and our way of life. They deserve the best we have to offer without the financial strain that comes with counseling and family services. At Open Arms Behavioral Health, we have a heart for our military. We are a veteran owned organization that employs and trains retired military personnel and their families to help other veterans in times of need. We have created an alliance with the Silent War Foundation, a non-profit organization dedicated to finding and financing services for military personnel (active duty, reservists, National Guard, and veterans) and/or their families. Together, as an act of appreciation, we are offering the highest quality counseling and family services at no cost to the service member or their families.

If you are in need of services or know of someone in need of services please call:
